Email Address grid

American Dental Association CERP Information

The American Academy of Dental Sleep Medicine is an ADA CERP Recognized Provider. The formal continuing education programs of the AADSM are also accepted by the Academy of General Dentistry (AGD) for Fellowship/Mastership credit.

Annual Meeting attendees registered for the full meeting as members, non-members, or students may claim a maximum of 14.5 hours of continuing education.

To claim CE credit for the AADSM Annual Meeting program, please complete all five pages of this evaluation form and return it to the AADSM Registration Area or to the AADSM National Office by August 4, 2010:

Please allow 6-8 weeks after the deadline date listed above to receive a CE verification letter. The AADSM will not issue CE verification letters for the 19th Annual Meeting after October 29, 2010.
