

DEAR
AADSM
ANNUAL
MEETING
ATTENDEES:

On behalf of the American Academy of Dental Sleep Medicine Program Committee, it is my pleasure to invite you to attend the AADSM 20th Anniversary Meeting, June 10-12, 2011, at the Hilton Minneapolis in Minneapolis, Minnesota. Join dentists and dental professionals from around the world for this premier meeting featuring the most current topics in dental sleep medicine.

Dental sleep medicine is rapidly expanding in both its research and clinical applications, as is the AADSM Anniversary Meeting. Last year, the AADSM 19th Annual Meeting experienced a 14% increase in attendance with over 750 dentists and dental professionals in attendance!

The AADSM 20th Anniversary Meeting provides you with educational courses designed for practitioners of all levels. The scientific program features current news and research in dental sleep medicine, information about products in our exhibit hall and multiple opportunities to network with your colleagues. And both new and veteran attendees will not want to miss the information-packed sessions on Medicare reimbursement and the AADSM Dental Sleep Medicine Facility Accreditation program that launches this spring.

We are excited to offer the general session beginning on the afternoon of Friday, June 10, 2011. The exhibit hall will also open on Friday afternoon. In addition, the committee is excited to continue with the well-received sessions for poster and oral presentations of abstracts. The always popular meet the professor sessions will be held during lunch on Friday through Sunday. These one-hour discussion sessions provide an excellent opportunity for meeting attendees to converse in an informal setting with recognized dental sleep medicine experts.

As Chair of the AADSM Program Committee, I look forward to seeing you in Minneapolis and welcoming you to the AADSM 20th Anniversary Meeting.

Sincerely,

Todd Morgan, DMD
Chair, Program Committee
