Thank you for considering the **2024 AADSM Annual Meeting.** We look forward to receiving your application and hope to see you in **New Orleans!**

The AADSM Annual Meeting is the premier trade show for dentists and dental professionals treating patients who snore or have sleep apnea. The annual meeting provides the opportunity to showcase your latest products and services to your target market.

Dental sleep medicine continues to experience growth. The 2023 annual meeting attracted more than 1,100 attendees and 65 exhibiting companies! We anticipate that the 2024 meeting will continue to provide the best opportunity to raise your company's profile in this expanding field.

The exhibit hall is a central component of the meeting, and attendees appreciate the opportunity to connect with leading companies and organizations. In previous years the exhibit hall has sold out, so we encourage you to apply early. Exhibiting companies have the option to take advantage of a promotion package add-on or elevate your exposure to attendees by applying for the Elite Booth Package - limited to four companies on a firstcome, first-served basis.

BOOTH INFORMATION AND POLICIES

BOOTH LIMITATIONS

All aspects of the AADSM exhibit hall are designed for 10'x8' booths. The size of the exhibit hall limits the number of booths. The set-up time for the event is limited to four hours. Support from Freeman Decorating, the official contractor for this meeting, is based on the requirements for an exhibit hall of 10'x8' booths. Based on these factors, the AADSM limits each exhibiting company to a maximum of two 10'x8' booths. Premium booths, including two 10'x8' booths, must be adjacent along the sides of the booths and cannot be reconfigured or combined in any other layout.

BOOTH ASSIGNMENT

The AADSM uses the date of receipt of an application with payment to determine exhibit space assignments. Exhibitors who apply early will have priority. Efforts will be made to accommodate requests for exhibitors to be near other companies, but those additional requests may impact placement within the hall.

BOOTH AVAILABILITY

Once full capacity of the exhibit hall has been reached, a waiting list will be maintained. AADSM management will monitor the status of the exhibit hall through May 3, 2024 to determine whether exhibit booth space becomes available. Applications will not be accepted after May 3, 2024.

FLOOR PLAN

The AADSM reserves the right to rearrange the floor plan to accommodate all requests for booth space. The AADSM may also adapt the floor plan to allow for social distancing or to comply with hotel regulations and/or CDC guidelines. Exhibitors will be notified via email if their booth numbers change due to any of the above circumstances.

REJECTION OF APPLICATION

The AADSM reserves the right to reject an application, refuse rental of display space, cancel booth space after a booth has been assigned, or curtail or close exhibits or parts of exhibits at any time prior to or during the AADSM Annual Meeting. The enforcement of this right is at the sole and absolute discretion of AADSM management.

Refunds will not be given for cancellations/ reductions received after March 22, 2024.

An email will be sent to each exhibitor's primary contact with information on how to use the registration system. The deadline to register company personnel is May 10, 2024.
