

## Learner Notification

---

### American Academy of Dental Sleep Medicine

### Oral Appliances for OSA: Improve Outcomes - An Effective Alternative to CPAP Enduring

Date of CE Release: 07-22-2022

Date of CE Expiration: 07-22-2023

Location: Online

#### **Acknowledgement of Financial Commercial Support**

No financial commercial support was received for this educational activity.

#### **Acknowledgement of In-Kind Commercial Support**

No in-kind commercial support was received for this educational activity.

#### **Satisfactory Completion**

Learners must listen to each self-directed audio recording while following along with the visual slides/read the articles, and complete an evaluation form to receive a certificate of completion. Your chosen sessions must be attended in their entirety. You must participate in the entire activity as partial credit is not available. If you are seeking continuing education credit for a specialty not listed below, it is your responsibility to contact your licensing/certification board to determine course eligibility for your licensing/certification requirement.

#### **Joint Accreditation Statement**

In support of improving patient care, this activity has been planned and implemented by Amedco LLC and American Academy of Dental Sleep Medicine. Amedco LLC is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

#### **Physicians (ACCME) Credit Designation Statement**

Amedco LLC designates this material for a maximum of 1.00 *AMA PRA Category 1 Credits™* for physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### **Objectives - After Attending This Program You Should Be Able To**

1. Explain how oral appliances effectively treat sleep apnea.
2. Outline an effective model of care for managing patients with sleep apnea.
3. Recognize the benefits of referring patients with sleep apnea to qualified dentists for oral appliance therapy for both patients and physicians.

#### **Disclosure of Conflict of Interest**

The following table of disclosure information is provided to learners and contains the relevant financial relationships that each

individual in a position to control the content disclosed to Amedco. All of these relationships were treated as a conflict of interest, and have been resolved. (C7 SCS 6.1-6.2, 6.5)

All individuals in a position to control the content of CE are listed in the program book. If their name is not listed below, they disclosed that they had no financial relationships with a commercial interest.

Name	Commercial Interest:Relationship
Paul Jacobs	NA
